Dear Insured,

With corn and soybean planting hitting full speed, and in some cases nearing completion, we wanted to remind you to contact Fennig – Homan Agribusiness to report acres and plant dates upon completion. It is *not necessary* to report acres and plant dates at the FSA before contacting Fennig – Homan Agribusiness. Acreage reports will be a mapped based report with individual field maps showing the corresponding acres. Please contact Fennig – Homan Agribusiness, once all acres have been planted, so we can get acres and plant dates reported. Please call 800-595-3629 or stop by the office at 1456 St. Anthony Rd., Coldwater, Ohio, or contact Ryan Fennig at 419-852-8201 or Tom Homan at 419-733-4784 to set up a time to report acres.

Corn & Soybean Replant Reminder

Fennig – Homan Agribusiness *must* be contacted, and approval *must* be given by an adjuster before replanting corn or soybeans. Failure to do so may result in denial of claim **payment.**
